For personal or school use only.

Let's start this hunt to find some eggs and Easter things!

1. To find your first clue, head to where your doorbell rings.

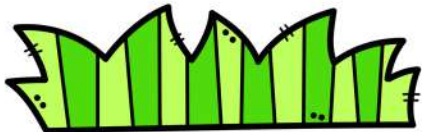

It's time to hop to it! I'm on something you sit.

2.

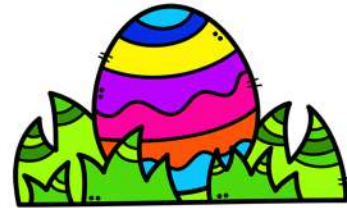

Easter eggs can be red, orange, yellow and blue! Now take a look by the \_\_\_\_\_ to find the next clue.

3.

Sweet Easter treats are ready to be found. Look by the side of the house, on the ground.

4.

The next clue is hidden and may be hard to see.

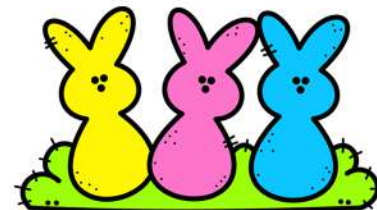

Hippety-hop, you can find the clue by a tree.

5.

No need to run to the next clue, it's fine to walk. But now you must look for the clue by a rock.

6.

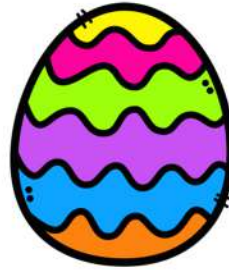

The Easter bunny eats carrots and lettuce too!

Look where spring flowers grow to find your next clue!

7.

You're doing great, it's not time to stop.

Check around the \_\_\_\_\_, and then hop, hop, hop.

8.

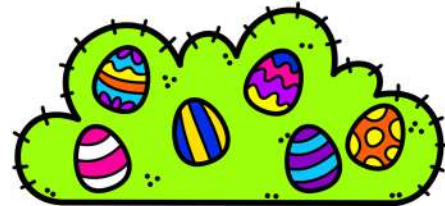

The Easter bunny has a white tail.

Now look where you get the mail.

9.

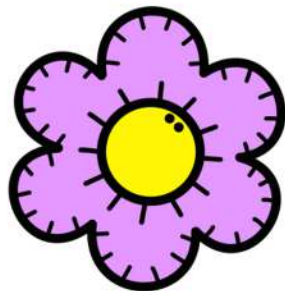

You're getting really close to the big prize. Find something with wheels, that fits just your size.

10.

What can help make the flowers grow?

Take a look where the water can flow.

11.

This is the last clue now, there won't be any more.

To find your Easter surprise, open the back door.

12.
